

Get Cash-Back Rebates

When You Upgrade Your Home's Heating and Cooling Equipment.

Ameren Missouri wants to help you save energy and money while also improving comfort in your home. Investing in energy efficient heating and cooling equipment will help you consume less energy and save monthly on energy bills. The Ameren Missouri Heating and Cooling program offers customers rebates* to help offset the upfront costs of energy efficient purchases.

What Types of Rebates Are Available?

Single-family residential electric customers living in the Ameren Missouri service area are eligible for a variety of rebates that are effective for equipment installation on or after March 1, 2017, including:

- Central Air Conditioner: up to \$500
- Air-Source Heat Pump: up to \$900
- Tune-Up Plus Ameren Missouri Efficiency Analysis: \$75
- Ductless Air-Source Heat Pump: up to \$500
- Geothermal Heat Pump: up to \$2,000
- Efficient Furnace Blower Motor: up to \$100
