## Breathe Easier by Improving the Indoor Air Quality in Your Home!

### Daikin AMHP-250 HEPA Filtration & Air Cleaner

The **Daikin AMHP-250** whole house air cleaner uses a HEPA filter, UVC germicidal lights (non-ozone producing) and CinQuartz® photo-catalytic oxidation (PCO) to filter and sterilize the air. This unit removes and destroys allergens and atmospheric dust, as well as biological and chemical contaminants and odors.
